ABOUT US

We are a dynamic company, ever aware of evolving technology and advances in furniture manufacturing and design. We produce custom-made furniture for every space, each one with a distinctive style but consistent on exceptionally high quality at the same time.

We create furniture pieces of the highest standards that are comparable to the works of well-established furniture manufacturers worldwide. We lay a particular emphasis on detail, and longevity of the custom made-to-order items that we produce.

Impeccable craftsmanship and handmade skills, technical know-how, and a vast knowledge of materials and techniques in bespoke furniture manufacturing - this is who we are and what we stand for.

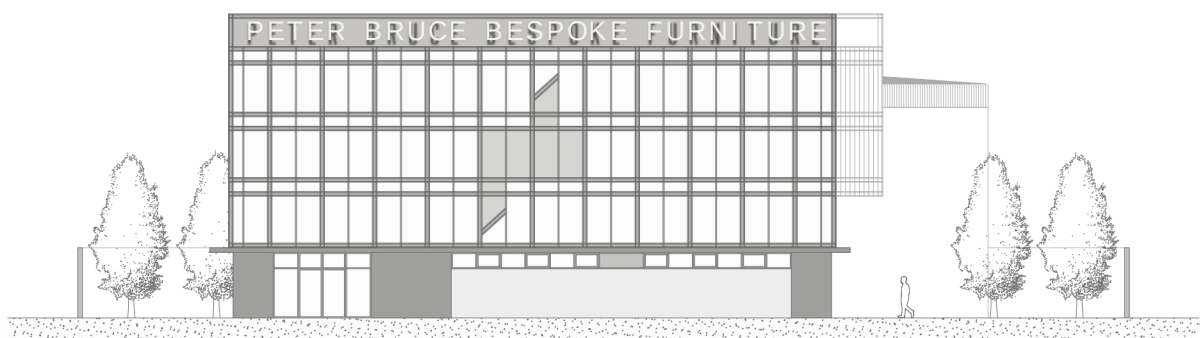

Dubai, United Arab Emirates

HEADQUARTERS

Our offices and facilities are situated at the Dubai Investment Park, a strategically located self-contained mixed-use development that is within minutes of the Al Maktoum International Airport and key business districts in Dubai, United Arab Emirates.

SANJAY YADAV
Machine Operator, Embroidery Division

OUR PEOPLE

Manufacturing from a fifteen-thousand square-foot facility, all pieces made by PBFM is the result of an industrial process that is made exclusively by highly-skilled hands and cutting-edge technology.

We use advanced automation and procedures to achieve specific technical objectives, and we employ artisans and craftsmen with expertise, know-how, and care for details - to guarantee elegance and durability in all the pieces that we produce.

OUR PHILOSOPHY

To gain the ultimate client satisfaction, we aim to build trust and reliability. We are committed in maintaining a high level of quality in all things we produce, and offer transparency and flexibility to all our partners and clients. We strive to be socially and environmentally aware and responsible, to achieve a modern and a sustainable work environment.

KEY MILESTONES AND FIGURES

2011	<p>AMBB UPHOLSTERY</p> <p>The unrivalled success of AMBB Interiors and it's joinery division paved the way for the development of a soft furnishing or upholstery division. Peter Bruce and T.P. Abdulla partnered up to form AMBB Upholstery.</p> <p>Initially housed in a 7,000 sqft. facility in Al Quoz with 12 employees.</p>
2012	<p>BESPOKE FURNITURE AND WALL COVERING</p> <p>Due to our client's appreciation and satisfaction of our quality production, we started to provide bespoke furniture, window dressing, and custom wall covering services.</p>
2016	<p>BW UPHOLSTERY</p> <p>AMBB was rebranded and became part of the Bowyer Wick group of companies.</p> <p>With the steady increase in discerning clientele, BW Upholstery moved to a larger facility and expanded to hire 50 employees.</p>
2019	<p>STEEL WORKS AND EXPANSION</p> <p>To maintain the high quality of our industrial process and program, we added an in-house specialist steel workshop and further expanded our facilities to 14,000 sqft.</p>
2021	<p>PETER BRUCE FURNITURE MANUFACTURING</p> <p>BW Upholstery was rebranded to Peter Bruce Furniture Manufacturing, becoming a completely independent bespoke furniture manufacturing company that has grown to 140 employees.</p>
2022	<p>IN-HOUSE DESIGN</p> <p>Formation of an in-house design division to more efficiently serve and accomodate private clients, designers, and design firms.</p>
2024	<p>RELOCATION AND EXPANSION</p> <p>PBFM moved to it's newly built headquarters in Dubai Investment Park, doubling it's manufacturing facility and expanding it's offices to 30,000sqft.</p>
